Approved by 98% of voters

We extend our gratitude for your participation and the tremendous support from the IT Committee (Dr. Yanxia Li, Dr. Huazhang Guo) and Membership Committee (Dr. Belinda Sun). A special thank you to Dr. Jiaoti Huang for assisting with President election.

We would also like to take a moment to recognize the dedication and effort of the unelected candidates who ran for positions on the BOD or the presidency of CAPA. Pursuing such a pivotal role requires courage, vision, and a strong commitment to CAPA's values and mission. Your willingness to step forward demonstrates your passion for advancing CAPA's goals.

Please join us in congratulating the new President and BOD members. We are confident that CAPA will continue to excel and expand its impact on the pathology community both nationally and internationally under the guidance of this new leadership team, as reflected in their impressive biographies.

Thank you once again for your participation in the CAPA election!
