

Let's help make our members all that they can be!

Upcoming CAPA OLE Schedule

10/12/2025	TBD Hologic
10/19/2025	Hepatocellular carcinoma Dr. Wei Zheng
10/26/2025	TBD Dr. Jianwei Feng
11/02/2025	Non-neoplastic gastric disease Dr. Wenyi Luo
11/09/2025	Pancreas Dr. Haiyan Chen
11/16/2025	GI NETs Dr. Shaomin Hu
11/23/2025	TBD Yinghong Wang, MD
11/30/2025	Thanksgiving Holiday (No Meeting)

CAPA-Sponsors Symposium Lecture in 2025

Genius™ Digital Diagnostics System Real-World Experience

Data Using The First And Only FDA Cleared Digital Cytology System

This webinar will be hosted by CAPA in collaboration with Hologic

Sunday | 9/21/2025 | 7:00 PM Eastern Time

Lakshmi Harinath, MD, MPH

University of Pittsburgh and UPMC Magee-Womens Hospital
Pittsburgh, Pennsylvania

Dr. Harinath is an Assistant Professor and Associate Director of Gynecologic Cytology, as well as the Associate Director of Breast and Gynecologic Clinical Instructorship in the Department of Pathology and Laboratory Medicine at the University of Pittsburgh. She is board certified in Anatomical and Clinical Pathology and Cytopathology and participates in subspecialty sign out at UPMC Magee Womens Hospital in Pittsburgh.

Miguel Noy, MD

Laboratorio de Patología Dr. Noy
San Juan, Puerto Rico

Dr. Noy is certified by the American Board of Pathology in anatomical and clinical pathology. He completed his bachelor's degree in Biology and Chemistry at the University of Puerto Rico (UPR). He continued his doctorate in Medicine at the Universidad Central del Caribe, culminating his career at UPR, with a degree in anatomical and clinical pathology. He manages Lab Noy, which specializes in cytology and gynecological pathology.

Moderator: Xiaoying Liu, MD, MS, FIAC, FCAP, FASCP

Director of Cytopathology
Department of Pathology and Laboratory Medicine
Dartmouth-Hitchcock Medical Center

Learning Objectives

1. Learn about the digital cytology landscape and first and only FDA cleared solution
2. Hear from industry innovators on their experience with Genius Digital Diagnostics
3. Review real world data and research findings from digital cytology users

How To Join The Meeting

Registration for the meeting is strictly restricted to valid CAPA members and non-members registered for CAPA educational activities. For more information, please visit the CAPA webpage <https://www.capa-ht.org/updated/> to find appropriate membership category to join CAPA. **Please allow 3-7 business days until your registration for the CAPA membership and Zoom meetings are processed.**

- ❖ This is a non-CME session.

CAPA-Sponsors Symposium Lecture in 2025

Cervical Cancer Screening in the U.S. Updated Guidelines and Ongoing Challenges

This webinar will be hosted by CAPA in collaboration with Hologic

Sunday | 10/12/2025 | 7:00 PM Eastern Time

ABOUT THE SPEAKER

Dr. Zhao is a Professor of Gynecological/Breast Pathology & Cytological Director and System Director of Gynecologic Cytology at UPMC. He earned his medical degree from Qingdao Medical College, conducted molecular research at the Hebrew University School of Medicine and UCLA, and completed AP/CP residency at Drexel University. He pursued fellowship training in Gynecologic/Breast Pathology at the Armed Forces Institute of Pathology and Cytopathology at USC.

SPEAKER

Chengquan Zhao, M.D.

University of Pittsburgh and UPMC
Magee-Womens Hospital
Pittsburgh, Pennsylvania

Since joining Magee-Womens Hospital in 2006, he has become the Full Professor in recognition of his research, which focuses on cervical cancer screening, HPV genotyping, and AI-assisted cervical cytology. He has published over 250 papers and 170 meeting abstracts, delivered 200 invited lectures worldwide, and published or translated numerous pathology books.

MODERATOR

Xiaoying Liu, MD, MS, FIAC, FCAP, FASCP

Dartmouth-Hitchcock Medical Center
Lebanon, NH

As a former member of the CAP Cytopathology Committee, he has led or participated in many national cytology/HPV studies. He also facilitates academic exchange between ASCCP and the Chinese Society of Colposcopy and Cervical Pathology (CSCCP), receiving the ASCCP 2017 Meritorious Service Award for his contributions.

Learning Objectives

- Review the latest cervical cancer screening guidelines and how they are shaping clinical practice
- Discuss the current trends and disparities in cervical cancer screening across the U.S.
- Explore the role of the Genius™ Digital Diagnostics System in cervical cancer screening
